

Occupational Health Services List

At McNeeley Family Physicians, we strive to offer services that companies will find useful in their endeavor to hire and keep healthy employees. We also offer the tools you need to maintain a drug free workplace. The list below is just an example of the services we provide. If you need an item that is not listed, we will be glad to work with you to try to make available any service you may require.

Employment Physicals

Pre-employment physical (includes medical history, exam and basic vision)

Pre-employment physical with Audiometry

Return to work physical

DOT physical

Audiometry

Spirometry

Note: Laboratory services and/or x-rays can be added to any of our physicals to meet your needs.

Drug Screening
